Resolution submitted by Bro. Davis:  
Whereas, of recent date, Lodge 127 was  
subjected to a rather severe investigation  
brought about by the persistent efforts  
of one of its members to discredit all  
of its officers & certain of its members  
by informing the International President  
through correspondence that they had  
violated the laws of our Brotherhood  
by committing unlawful acts that  
were meant to undermine our Brother-  
hood and assist the efforts of a rival  
organization in their efforts to represent  
emancipators, and  
Whereas, the loyalty, honesty & integrity  
which constitute the character of

members of well over thirty years  
membership in our Brotherhood has  
been challenged, and

Whereas, we believe that to murder  
character is as truly a crime as to  
murder the body, therefore be it

Resolved, that we inform the International  
President that it is the considered  
opinion of the officers & members of  
this lodge that, owing to the seriousness  
of the accusation, and the fact that  
a complete & impartial investigation  
has proven all officers & members  
innocent of the charges made against  
them, that a much stronger rebuke  
should have been forthcoming in  
his decision, & be it further

Resolved, that in our opinion, if this  
is not done we will be subjected to  
the same conditions in the future, which  
in our opinion he should try to keep  
us to avoid as it has the tendency  
to destroy the harmony which is so  
essential to our future welfare &  
enlarge our membership.

Moved Bro. Paris - Bryant that  
resolution be adopted. Carried

Bro. Jarvis gave a lengthy report concerning the proceedings of the recent Convention, & owing to the lateness of time it was decided that he would continue his report at a future meeting.
